**TESCO FIELD BAG  
CATALOG NO. 1048**

TESCO has recently updated the Field Bag. The newer Field Bag is slightly smaller than the previous version. The bag features a large main compartment with a removable divider and two smaller side pockets. The Field Bag comes with a shoulder strap for ease of mobility.

The Field Bag measures 16" x 8.75" x 7.5" (L x H x D).

The TESCO Field Bag is the perfect accessory for the CT Ratio/Burden Tester (Catalog No. 1047). The Field Bag can safely hold the tester, charger, and any current probes or cables you might have to go with it.
