

THE EASTERN SPECIALTY COMPANY

# OPERATING INSTRUCTIONS

## CAT. 220 DEMAND SEAL

TESCO's Demand Seals (CAT. 220) are self-locking, tamper-indicating and designed for easy application and removal from electronic and electromechanical meters.

### CAUTION

Once locked, there is no way to unlock without destroying the seal.

### LOCKING INSTRUCTION

 <p>1</p>	<p>Insert shaft into opening</p>
 <p>2</p> <p>Thumb</p> <p>Forefinger</p>	<p>Push locking head towards shaft to lock seal. <b>INFO:</b> A snapping sound indicates seal is fully locked.</p>

### REMOVAL INSTRUCTION

 <p>Breaking point</p>	<p>Twist breaking point on shaft which. <b>NOTE:</b> The seal cannot be used again because it is for one-time use only.</p>
