

THE EASTERN SPECIALTY COMPANY

# A-BASE & POTENTIAL JUMPERS

CAT. 202 & CAT. 203

## A-BASE JUMPERS

**TESCO A-Base Jumpers** allow meter technicians to jump either customer-load or test-load on A-Base meter installations. **TESCO A-Base Jumpers** are equipped with alligator-clip connectors, and are available in either 10 gauge wire, which is rated for 30 amps or 8 gauge wire, which is rated for 75 amps.
