PRODUCT INTRODUCTION

The TESCO UtiliCart Catalog 1060 is the ultimate portable workstation for utility professionals. Invented by a meter technician who understood the demands of field work, this collapsible cart was engineered for convenience, mobility, and versatility.

Whether you are transporting a Site Analyzer, EVSE test equipment, or your laptop, the UtiliCart keeps tools organized, secure, and accessible. Rugged enough to carry heavy duty test gear yet light enough to fold and store in a work truck, it ensures efficiency on every job site.

Weight: 36 lbs.

Maximum Weight Capacity:

- 400 lb. carrying capacity
- 100 lb. top shelf capacity
- 70 lb. rear pocket shelf capacity

Dimensions:

- Folded Height: 36"
- Width: 22"
- Folded Thickness: 4"
- Extends to 47" work height
- Front shelf can be extended up to 24"
- Four stabilizer legs allows for usage on any terrain
- Locking fold in 8" rubber wheels for any terrain
- Opens and closes in seconds.
- Patented toe locks for added safety during transport so the dolly will not fold up in transit.

Conveniently folds for easy storage in your truck (pictured on next page).
