A-Base and Potential Jumpers

PRODUCT INTRODUCTION

TESCO A-Base Jumpers allow meter technicians to jump either customer-load or test-load on A-Base meter installations. TESCO A-Base Jumpers are equipped with alligator-clip connectors, and are available in either 10 gauge wire, which is rated for 30 amps or 8 gauge wire, which is rated for 75 amps.

TESCO also offers **Potential Jumpers**, which are equipped with crocodile-clip connectors, and are available in 18 gauge wire and rated for 5 amps/600 volts.
