

OPERATING INSTRUCTIONS

CAT. 220 DEMAND SEAL

TESCO's Demand Seals (CAT. 220) are self-locking, tamper-indicating and designed for easy application and removal from electronic and electromechanical meters.

CAUTION

Once locked, there is no way to unlock without destroying the seal.

LOCKING INSTRUCTION

 <p>1</p>	<p>Insert shaft into opening</p>
 <p>2</p> <p>Thumb</p> <p>Forefinger</p>	<p>Push locking head towards shaft to lock seal. INFO: A snapping sound indicates seal is fully locked.</p>

REMOVAL INSTRUCTION

 <p>Breaking point</p>	<p>Twist breaking point on shaft which. NOTE: The seal cannot be used again because it is for one-time use only.</p>
