

OPERATING INSTRUCTIONS

CAT. 224 "T" Seal

TESCO "T" Seal (Catalog No. 224) is a locking device for electric meter covers. The "T" Seal can be easily installed and removed without any tools. The curved base is stamped "SEALED" and is scored to fracture if tampered with. The "T" Seals can be customized with up to five letters stamped on flag. Double-sided stamping is also available.

INSTRUCTIONS:

	<p>NOTE: <i>Make sure meter cover is properly mounted on meter before inserting seal.</i></p> <p>Locate opening where to insert seal. Opening may vary from what is shown depending on type of meter.</p>
	<p>Insert the T-seal with "SEALED" label facing downward.</p>
	<p>To lock seal, carefully lift tab (<i>Fig. A</i>) at the base of the seal to bend the base completely over (<i>Fig. B</i>) then fold the seal flag unto side of meter cover (<i>Fig. C</i>).</p> <div style="display: flex; justify-content: space-around; align-items: flex-end;"> <div style="text-align: center;">  <p>Fig. A</p> </div> <div style="text-align: center;">  <p>Fig. B</p> </div> <div style="text-align: center;">  <p>Fig. C</p> </div> </div>

CAUTION

With its tamper-evident design, once locked, the meter cannot be unlocked without destroying the seal.
