## Field Equipment

Catalog No.

# 701 and 702

## Smart Pole Meter Boxes

### Catalog No. 701 – SmartPole Meter Box

TESCO's Cat. 701 SmartPole Meter Box is a compact and field-ready enclosure built to support ANSI socket-based smart meters in overhead streetlight and utility pole applications. It mounts easily to either metal or wooden poles using the included bracket and strap kit. The 701 supports self-contained operation up to 5 amps and features a tamper-resistant lockable strap for added security.

### Catalog No. 702 – SmartPole Meter Disconnect Box

The Cat. 702 takes the functionality of the 701 one step further by integrating a fused disconnect switch, making it the ideal choice when disconnection capabilities are required. It retains all the same rugged, weather-ready features as the 701, ensuring easy deployment and long-term durability in pole-mounted metering applications

## FEATURES:

- Compliant with ANSI C136.41 socket-based meter mounting
- Designed for streetlight metering, telecom node metering, and other pole-mounted services
- Compatible with smart meters rated up to 5A (meter not included)
- Pole Bracket: Pole Strap Kit included for mounting to wood or metal poles
- Marine-Grade HDPE Hold Down Strap

Catalog No. 701  
SMARTPOLE METER BOX

Catalog No. 702  
SMARTPOLE METER  
DISCONNECT BOX

- 3-pin meter receptacle
- Tamper-resistant 1/4" seal location
